

Journey in Faith *Via de Cristo*

Application To Serve on Team

I am applying for: Spring Fall Year _____

Serving on a Via de Cristo team and sharing the weekend experience with others can be a very valuable way to share God's love, grace and blessings. However, participating on a weekend requires time, hard work and many sacrifices, all of which may impact members of your family. Please consider this prayerfully as you offer to serve.

One of the goals in selecting a team is to have two-thirds of the team members have experience from previous weekends, and one-third be recent Cursillistas. In addition, the Rector tries to maintain a fair representation of the various church congregations and denominations that are active in the community. As the size of each team is limited, not everyone who wishes to serve can be included. Please don't be discouraged if you are not selected; there are many other opportunities to serve: setting up, taking down, preparing palanca, and helping with many other behind-the-scenes tasks.

As a Team member you should be willing to:

- Be supportive of the Cursillo method as contracted by the Journey in Faith Secretariat with the National Lutheran Secretariat;
- Perform duties with a spirit of servanthood, cooperation and joy;
- Serve in any capacity as needed;
- Attend scheduled team meetings; and
- Contribute financially, as far as you are able, towards the cost of the weekend.
